INFORMATION HERE

**A discretionary service charge of 12.5% is added to your bill, which is shared
entirely with the team.**

A 3 oz steak weighs 85 grams when uncooked. This weight may vary after cooking.
Allergies and intolerances: please be aware the menu description does not list all
ingredients. Please speak to a member of staff, prior to ordering, if you have any
food allergies or intolerances, or queries about ingredients in your meal.
All prices shown are in pounds sterling; we do not accept cash payments.

This site was once a large marsh, fed by the River Great Ouse, but in the 1950s gravel extraction created a series of small lakes and pools which survives today. The gravel was mainly used in road and industrial construction, but today the old gravel pits are home to an abundance of wildlife, flora and fauna; a magical place for all of us to enjoy.
